

## Brown Sugar & Olive Oil Body Scrub

Smooth, soften, and glow with our Brown Sugar & Olive Oil Body Scrub — a rich, nourishing exfoliator that buffs away dry skin and leaves your body silky and radiant. All-natural, simple, and oh-so-effective.

## How to Make a Coffee & Coconut Oil Cellulite Scrub

This invigorating scrub combines the stimulating power of caffeine with the moisturizing richness of coconut oil. Perfect for use on legs, thighs, and any areas you want to firm and smooth.

## Homemade Body Butter (Shea & Cocoa Butter)

Whip your skin into shape with this ultra-nourishing, all-natural body butter! Made with creamy shea and decadent cocoa butter, this whipped treat melts on contact, leaving your skin deeply moisturized, soft, and beautifully scented — without any synthetic ingredients.
